Welcome

Dear fellow breeders and friends

A warm welcome to our "Golden Helix Sale" where we will once again offer some of the finest Limousin bulls and females for your consideration. We sincerely hope that Mother Nature has treated you all well since our 2023 sale and that you are blessed with good crops and grazing.

We selected about 70 bulls from the 2022 and 2023 crops as well as a few older bulls used in our herd. These bulls represent 18 sires, including Horn, Mas du Clo and Electric Impact as well as our own Maserati, Acapulco, Zanzibar, Zippo, Amstel and others. This offers a variety of genes and traits to satisfy the discerned breeder as well as committed commercial breeders.

The hand picked group of females was bred out of 26 different sires and includes show animals, embryo donors, three-in-one packages and an exciting group of youngsters. Some of the calves are ready for weaning while others are a bit younger. Do keep in mind that after today this female herd will be closed for 24 months.

The well known team of Vleissentraal will once again handle all admin, accounts, etc while auctioneer, Johan van der Nest, will be on the stand again. Willie de Jager, as well as Marius Barkhuizen will be available as impartial consultants, should anyone needs professional advice. The team from Swiftvee will offer their online bidding platform for buyers not being able to attend the sale.

Transport of animals will be organised and subsidised to central offloading points, as close to their new owners as possible. Also remember that we offer immediate insurance with the fall of the hammer until delivery at a minimum rate – please advise us accordingly.

We are proud to be associated with a number of business suppliers and partners in marketing. Your contribution towards today is highly appreciated and we do value our relationship with your companies.

We do value your interest, friendship and support. We are truly blessed to share our lives with the "Golden Breed" and would like to thank you for your attendance today. Enjoy the excitement of sale day and the rest of the weekend with us.

46. If any clause or term of these *Rules of Auction* should be invalid, unenforceable and illegal, then the remaining terms and provisions of these *Rules of Auction* shall be deemed to be severable there from and shall continue in full force and effect unless such invalidity, unenforceable or illegality goes to the root of these *Rules of Auction*.
47. **Default by Buyer:** Should the Buyer/Purchaser refuse or otherwise fail to pay the purchase price within 7 days of the due date, the Auctioneer shall be entitled to:
 - 47.1 claim interest from the Buyer/Purchaser at the prescribed *mora* interest rate + 8.25% calculated from the date of purchase to date of payment, and/or
 - 47.2 repossess the assets, to resell same at the risk of the defaulting Buyer/Purchaser who shall be liable for all costs in connection with the resale and any loss or damage incurred, and will not be entitled to any profit that may arise from the resale, and/or

 - 47.5 retain in pledge any assets or other property in the possession of the Auctioneer belonging to either the Buyer/Purchaser or the Seller as security for the due fulfilment of any obligation owed to the relevant party or the Auctioneer.
48. The Company reserves the right to amend these *Rules of Auction* in writing.
49. By entering a bid any prospective Buyer binds himself or herself to this *Rules of Auction*.
